

22 Dr. Kevin Clarkson on Prophecy Part 1

Intro

Greetings Patriots! This is Perry Greene with GodNAmerica.

Today, we will listen to the first part of an interview with Pastor Kevin Clarkson. The topic I asked Kevin to discuss is prophecy. That is an area of Bible study where I have not spent much time. On the other hand, Kevin has spent many hours studying ancient prophecies. In this segment, he will introduce us to prophecy and get us thinking about the hand of God in Israel.

Kevin is a Patriot Pastor and an insightful student of scripture. He is currently the pastor of Liberty Church in Yukon, Oklahoma.

I have great respect for Kevin. He and I may have a few theological differences, but we have much more in common. As I have gotten to know him over the past year and a half, I see him as a man who sincerely seeks God in all that he does.

I hope you enjoy today's interview and get to know Kevin.
