

Alex Newman 28

Greetings Patriots! This is Perry Greene with GNA. Today is part two of my interview with Alex Newman. Alex is incredibly busy with his work and I am grateful that he took time for us. Alex addresses the events of Ukraine and Putin and talks about the John Birch Society. I am a new Chapter Leader in JBS and am learning the value of that organization.

I have included a lengthy biography for you in the notes. At the end of this interview, he gives us a list of his activities. I would encourage you to read his bio and take notes on the ways you can follow him. Then, follow him! He will give you the information you won't find anywhere else.

I met Alex a couple of years ago at Fairview Baptist Church in Edmond, OK. He was there to do a presentation to preachers on some contemporary issues. I reconnected with him at the Liberty Pastors Conference in Little Rock, AR a few weeks ago.

Thank you for listening in today. I hope Alex Newman has informed and inspired you to be part of God's army of believers. We have a great task to stand against evil. This is way beyond political parties, we are dealing with good vs. evil and light vs. darkness.

Ephesians 5:11 (NKJV) reminds us of our responsibility. It reads:

¹¹ And have no fellowship with the unfruitful works of darkness, but rather expose them.

I hope you will come back next week for a special podcast with US Senate candidate Jackson Lahmeyer.

Keep The Light of God Burning!
