

Dr. James Taylor's Bio 2

Intro

Greetings Patriots, this is Perry Greene with GNA. Today we are concluding my interview with my friend, Dr. James Taylor. I met JT at the *Reclaiming America for Christ* events years ago. He is a "Patriot Pastor" and deeply concerned about the state of Oklahoma and the nation. He is so concerned that he is running for Congress in Oklahoma's 4th District, currently occupied by Representative Tom Cole.

James is an author, teacher, and senior pastor of Christ's Church in Norman, Oklahoma. He taught history to at-risk kids in middle school in OKC. He is currently teaching history in Little Axe, Oklahoma near Norman. On November 4th, 2021, James was terminated from his teaching job, along with 5 other teachers, by the OKCPS Board for not complying with the illegal and unconstitutional COVID-19 Mandates.

JT has warned us about Critical Race Theory (CRT), big government, schools, and LGBTQ programming through books, DVDs, and live presentations. Dr. Taylor has authored, "*It's Biblical, Not Political!*" which guides Christians on how to vote conservatively. He is also the producer of the DVD: "*Critical Race Theory vs. The Bible*" which exposes the lies of CRT being taught in our education system.

In this first part of the interview, we talked about his run for political office against U.S. Representative Tom Cole. We also discuss some of the current events with which churches need to deal. I ended the session with most of his discussion regarding his firing from the OKCPS in November.

In part 2 we pick up with his firing. We talk about how God honors those who stand for right. In addition to standing his ground with the OKCPSB and Superintendent, JT stood against the Mayor of Norman who tried to illegally and unconstitutionally shut down churches during the COVID plan-demic. He mentions CRT.

JT is one of the people God is raising up for "such a time as this." Please pray for his Congressional race. You can get his app to keep up with him, "James Taylor for US Congress" in the app store. You can also check his website, "Taylor4OK.com." Both are in the notes.

Outro

Thank you for listening in today. I hope you have gained some insights into some of the things we are facing at the current time in America and throughout the world.

JT is a good example of a man of integrity. Please pray for him and his run for office. If you live in his district, please seriously consider voting for him.

Until next time, Keep The Light Burning!
