

The End of the Dream

Our founding generation had a righteous dream for America. On February 22, 1756, **John Adams** made the entry in his diary:

Suppose a nation in some distant Region should take the Bible for their only law Book, and every member should regulate his conduct by the precepts there exhibited! Every member would be obliged in conscience to temperance, frugality, and industry; to justice, kindness, and charity towards his fellow men; and to piety, love, and reverence toward Almighty God...What a Eutopia, what a Paradise would this region be.

When **Benjamin Franklin** was at the Constitution Convention, he gazed at a sun painted on the back of the President's chair in the meeting room. He wondered if the sun was rising or setting. Did it represent the rise of an empire or the end of their efforts? At the Convention's conclusion, Franklin said, "... I have the happiness to know it is a rising, not setting sun."¹

As he departed "Constitution Hall" after the meeting, Mrs. Powel asked if the Convention had given us a monarchy or republic. Franklin warned sternly and said, "A republic, madam, if you can keep it." We are experiencing the sober reality that we can't keep our republic and have lost the dream. Our nation is collapsing before our eyes, and the rise of blatant Sodom and Gomorrah abominations is proof we are at the pinnacle of our demise, revealing God's wrath (see **Romans 1**).

I am a fan of Telegram and listen to several podcast channels on that platform. Let me give you quotes from two channels dated December 16, 2023, following the exposure of the Senate staffer filming his gay pornography inside the Senate.

Our halls of Congress are COMPLETELY defiled, disrespected, and dishonored. I DON'T even want to know what other degenerate FILTH has happened there over the years and in the present day.

Goes perfectly along with where our nation is sadly headed at this moment in history.

I HATE to admit it, but there is a SLIM chance of recovery from this level of debauchery. This is like the pre-destruction of Babylon-esque stuff we are talking about.

Biblical in EVERY sense of the word.

All great empires throughout history have lasted approximately 250 years before succumbing to this kind of wickedness. Once this is rampant in society, it's GAME OVER.

Pray that God has MERCY in our nation; we are going to NEED IT.

When I see a Mosaic of Degeneracy like this that 'went hot' with the advent of the Biden Admin, I see it less as the enemy exposing themselves (sometimes literally) of their own volition and more as gravitational evidence of patriot ghosts in the machine and 'control' in more ways than we'll likely ever know.

Either these people are this stupid, or they're being accelerated in full view of the American people through more overt control of the current 'Admin' than some are willing to consider.

It comes to the same in the end: we've talked about bringing the whole diseased, corrupt temple down on their heads ... As it turns out, they're well on their way to doing so on their own.

"Never interfere with an enemy while he's in the process of destroying himself."

The Bible says, **“Righteousness exalts a nation, but sin is a reproach to any people.”**² In **Deuteronomy 28**, Moses encouraged the new generation of Hebrews to obey God and receive His blessings. He adds that if they disobey, He will punish them. Listen to a few verses:

“If you fully obey the LORD your God and carefully keep all his commands that I am giving you today, the LORD your God will set you high above all the nations of the world.² You will experience all these blessings if you obey the LORD your God: [He lists several blessings]

¹⁵**“But if you refuse to listen to the LORD your God and do not obey all the commands and decrees I am giving you today, all these curses will come and overwhelm you: [He lists curses]**

Pay special attention to this section:

⁶⁴**For the LORD will scatter you among all the nations from one end of the earth to the other. There, you will worship foreign gods that neither you nor your ancestors have known, gods made of wood and stone!** ⁶⁵**There among those nations, you will find no peace or place to rest. And the LORD will cause your heart to tremble, your eyesight to fail, and your soul to despair.** ⁶⁶**Your life will constantly hang in the balance. You will live night and day in fear, unsure if you will survive.** ⁶⁷**In the morning, you will say, ‘If only it were night!’ And in the evening, you will say, ‘If only it were morning!’ For you will be terrified by the awful horrors you see around you.**³

The teaching Moses gave the Hebrews as they approached Canaan was correct. When the Hebrews obeyed God, the nation prospered. When the people disobeyed, they experienced the curses and scattering he predicted. The country went into Assyrian and Babylon Captivities. In 70 AD, the Romans scattered them among the nations.

We must realize God’s blessings and curses were not limited to ancient Israel. All nations can have what He offers if they will obey His words. We have sung *“America, America, God shed His grace on thee”* and exalted Him for His kindness. Today, we need to sing of our penitent confession of sins. We need days of prayer, fasting, and humiliation in our churches as our forefathers and mothers did 250 years ago.

I have quoted **2 Chronicles 7:14** numerous times in my podcasts. It is valid for all nations. Let’s heed the words and start the process of repentance for the nation. Let me read verses **13-14** (NKJV):

¹³**When I shut up heaven, and there is no rain, or command the locusts to devour the land, or send pestilence among My people,** ¹⁴**if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.**
